

# MONDAY TENNIS MATCH PLAY TERM 4 2024

Orange Ball - 7 to 10yo

Green Ball - 8 to 12yo

Dear Students, Parents & Friends,

Millennium Tennis Academy will be introducing our unique colour ball match play tennis experience.

Due to the success and high volume of players we have currently within our orange ball and green ball programs we are aiming to fast track the development of these particular students into ultimately playing competition for Whiteslane Mulgrave Tennis Club. (Please note that players currently playing competition for the club in D grade are also eligible for this program to get some extra match practice).

The first step in the competition pathway is playing in our specially created hot shots league (either orange or green ball) . This league is the perfect place to start trying some friendly competition with familiar faces and with supervised help from Millennium staff & coaches.

**The main aims of the program are:**

- Putting into practise the skills learnt in weekly tennis classes.
- Learning the rules of tennis including how to conduct a self-umpired match and where to stand, how to score etc.
- Developing basic tactics and strategies for both singles and doubles.
- Being physically active, developing self-confidence and benefitting from the social side of tennis.

Below are the details for our Term 4 Program:

- **Dates:** Starts Monday 14th October and will run for 7 weeks finishing on Monday 2nd December
